**CALL FOR PAPERS**

**The 3<sup>rd</sup> International Research Conference**

**“TEACHING ENGLISH IN PROFESSIONAL  
CONTEXT: ENTERING GLOBAL COMMUNITY”**

**11-13 May 2017**

**Tambov**

[esp.tstu.ru](http://esp.tstu.ru)

Department of International Professional and Scientific Communication of **Tambov State Technical University (Russia)** is proud to announce the 3<sup>rd</sup> International Research Conference “**Teaching English in Professional Context: Entering Global Community**” to be held on **11-13 May 2017** in Tambov State Technical University, Tambov.

The **mission** of the conference is to seek the ways of promoting advanced methodology of teaching English for professional purposes in Russia with a view to enhance the promotion of Russian science and engineering in the global community.

The **goal** of the conference is to exchange the ideas of how to effectively increase English language communicative competence in Russia’s academic setting.

#### **The objectives:**

- to consider academic curricula and course books for teaching English in professional context;
- to look into aspects of trainer training for ESP;
- to address the issues of technology-based language instruction, project-based teaching of English and language conundrums of English for professional communication;
- study cross-cultural barriers in professional communication;
- work at challenges of academic writing.

**Conference framework:** plenary sessions, interactive workshops and SIG sessions.

#### **Topics of interest include, but are not limited to:**

- Academic curricula for teaching English in professional context
- Trainer training for teaching English in professional context
- Linguistics of English for professional communication
- Technology-based language instruction
- Challenges of academic writing
- Overcoming cross-cultural barriers in professional communication
- Project-based teaching of English in professional context

**Language of the conference:** English.

**Conference proceedings** will be published on the conference website and as a CD-ROM with ISBN indexed in RISC (Russian Index of Research Citation). Certificates of participation will be awarded.
